Weaving for totem poles

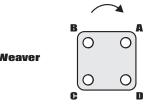

Marieke Kranenburg, December 2019

Turn the borders forward (tablets 1-14 en 54-67)

Start with the pattern on the left, continue with the pattern on the right. The part between the green lines can be repeated, but the colors will differ:

19 20 21 22 23 24 25 26 27 28 29 30 31 32

- black becomes white
- white becomes red
- red becomes yellow
- yellow becomes black
